**Do you live, work or study in Seaford?**

If the answer is YES then we would like to ask you three simple questions:

1. What do you like about living/working/studying in Seaford?
2. What do you like least about living/working/studying in Seaford?

We're interested in your ideas and will use your answers to develop a new Local Community Plan that will guide Council's decision making in your area for the next four years.
