

Grade 1 Newsletter 5/2/2018

We would like to say a big hello and welcome back for 2018!

It has been a great first week in Grade One and we have enjoyed getting to know the students in our classes.

Just a few things to let you know:

-We will be sending readers home this week with each student, this will be based on their reading levels in Foundation, as we are still adjusting reading levels from the holidays. If your child is finding their books are too easy or hard please let your child's teacher know and we can adjust it for them. Please fill in the yellow reading record book every night your child reads. This will come home with their readers next week.

-Students will be having a fruit break in the middle of the morning session. This needs to be a piece of fruit or vegetable that they can eat during their working time.

-We will be using Class Dojo as a communication system between the students, teachers and parents. This is also a great way to communicate with your child's teacher through the messaging part of the app. Keep an eye out for the invite notice to this system.

-If you are able to come into the classroom and help out at any time we welcome the extra help! You must have a Working with Children's Check and have completed the Parent Helper Course also. Please see your child's teacher about an appropriate time to come in and help.

-Grade One Sport will be on Tuesday afternoons. Specialists are being held on Wednesdays and library sessions on Fridays. Students must bring a library bag in order to borrow a book.

Looking forward to a great year ahead in Grade One!

Melanie Turner, Lisa Dadoukian-Pearce, Claire Bergman, Rebecca Collins,
