Dear Parents,

Welcome back for Term 3! We hope you’ve had a relaxing break and have enjoyed your time with your family.

Just a reminder that this **Friday 22nd July 2016 between 9.30am and 10.30am** we have organised an opportunity for grandparents to come along to share an item from the past with their grandchild and the Prep children. If you have completed the grandparents interview, please bring that along as well.

Thank you to those parents that have offered to help out with the **MDP program**. It starts this **Friday from 2.00pm till 3.20pm**. A schedule has gone out to the parents that are rostered on (it is also posted at each classroom’s door).

Please make sure that if you are unable to attend during your rostered day, contact one of the emergencies for that day so they can fill in for you.

Also, it would be preferable for girls to wear socks, as tights are difficult to take off and put on during the program.

For the rest of the term we have these following upcoming events:

- **STAR Lab Incursion on Wednesday 10th August**, as part of our inquiry into the world’s natural cycle.
- **Whole school “Winter Wonderland” Disco on Friday 12th August**.
- **School Concert, “Utopia” on Monday 5th September**.
Continue to fill out your Moon Cycles, and send back to your grade teacher once completed.

We are currently requesting an empty 400 gram aluminium can such as in the picture shown for a special upcoming activity this term! Each child will need to bring one can to school by Friday 17th August.

Debbie Thompson, Kim Wright, Nadia Harris, Yueni Yang and Richard Press
