Foundation Star dome Incursion 2017
Wednesday 6th September

Dear Parents/Guardians,

We have organised an exciting incursion for the students as part of our inquiry into natural cycles.

The incursion will take place on Wednesday 6th September by 'Science Discovery Dome'.

Students will enter the inflatable dome that will be assembled in the BER building. They will participate in sessions learning about the Earth's natural cycles.

If you have **not** paid the excursion/incursion levy then a cost of \$12.00 per student is required.

NO LATE NOTICES OR MONEY WILL BE ACCEPTED

Many Thanks,

Kim Wright, Richard Press, Debbie Thompson, Yueni Yang and Pas Porto.
