

SEAFORD NORTH NEWSLETTER

School Mission Statement

Our mission is to provide all Seaford North Primary School students with a high quality, challenging, global education which develops compassion and respect. We provide engaging learning opportunities that includes essential knowledge, concepts, skills and attitudes, enabling students to transfer these to new situations necessary in a rapidly changing world.

We are committed to differentiation so that students work at their level and are able to make decisions about their learning in line with the curriculum.

We encourage students to take responsibility with their learning so that they can be purposeful and make a difference to themselves and their world.

LAST DAY OF TERM 1.30 DISMISSAL

ISSUE 15

29TH NOVEMBER, 2018

Dear Parents, Students and Friends of Seaford North,

Grade Structures for 2019

I am pleased to provide an update regarding **2019** staffing and school structure. We welcome our new teachers for 2019 **Ms Rachael Watson**, **Mr. Andrew Mills** and **Mr Daniel Egan**.

Mr Press and Ms Gauthier will both be taking 12 months leave and will be returning in 2020. Ms Harris will be going on family leave. She has done a wonderful job working with kids in our Targeted Extension Program. Mr Millward will be retiring at the end of term 1. He has done a great job instilling a love of science in our children.

The continued high standard of work and student achievement in all the classrooms and specialist areas is testament to the hard work of our teaching staff and the support the children get from home. All our teachers have done a wonderful job this year, always putting in more than expected to ensure the children in their care receive the very best education, socially, emotionally and academically.

Foundation Mrs Debbie Thompson, Ms Lauren Milne, Ms Gabrielle Tindall, Ms Emma Sinnott

Year One Ms Pas Porto and Ms Claire Bergman, Ms Melanie Turner, Ms Courtney Wright, **Rachael Watson**

Year Two Ms Rachel Bowles, Ms Fiona Kops, Ms Rachael Hickling

Year 3-4 Ms Rebecca Givogue, Ms Casey Marriott, Ms Allanah Goldsworthy, Ms Renee Wise, **Mr Andrew Mills**

Year 5-6 Ms Tara Williams, Ms Sally-ann Jackson, Ms Romy Armstrong, **Mr Daniel Egan**

Curriculum/PYP Coordinator

Ms Chloe Gannon

Specialist Areas

Mr Andy Millward	- Science (term 1)
Ms Stefanie Middleton	- Physical Education
Ms Lisa Dadoukian	- Visual Arts
Ms Jaqui O'Leary	- Performing Arts
Ms Maggie Wang	- Chinese (Mandarin)
Ms Kim Wright	- 5/6 Targeted Extension Program Term 1 - Science Terms 2, 3 and 4

Election Stall and BBQ

A very big thank you to everyone who donated goods and/or time for the cake stall and bbq on Saturday. The parents and Friends Club had over 30 volunteers involved which is great! A very big thank you to Donna for coordinating and running the event. You all raised close to \$1000.

Crazy Hair Day and Relay for Life

Thank you for supporting Bailey at assembly this Monday. He was quite nervous but it was fantastic to hear all the encouragement and support. Bailey Thompson is in 5/6P and shaved his head at school as part of Crazy Hair Day organised by the Junior School Council. He has been growing his hair for almost a year and would like to raise money towards cancer research so that one day in the future no one will ever have to hear the words 'you have cancer'.

Bailey asked Junior School Council that any money collected from the Crazy Hair Day at school go to the Leukemia Foundation.

Bailey has raised almost \$1500 through donations online and in person.

Stars of the Week

Dogs at pickup and drop-off times.

After a minor incident with a toddler, could all parents please keep their dogs outside the school gates at pickup and drop-off times. Thank you in anticipation of your consideration of others and the fact that some children are not comfortable around dogs.

Kind Regards, *Lee Murnane Principal*

COMING EVENTS

DECEMBER

Mon 3 rd	Foundation Pyjama Day

**BRAND NEW
SCHOOL HOLIDAY ACTIVITIES**

Make a mini soccer table, cool science experiments, race solar powered cars, put on a show with shadow puppets, outdoor games, awesome excursions, and HEAPS more.

BOOKINGS NOW OPEN FOR STEAM WORKS

SCHOOL HOLIDAY PROGRAMS

Get silly, get a little mad as we partake in some SUPER science experiments! Holiday Club will become a lab as we experiment with slippery slime and creative cartesian divers while developing kids' deductive reasoning.

Soccer is "The World Game!" This day is dedicated to fair play, engineering and crafting. Decorate your very own table-top soccer game, then give it a spin against your friends. After that, we'll head outside for soccer skills and games together!

Learn about the oldest form of storytelling - the art of shadow puppets, and how they have been used to tell stories for thousands of years. Be inspired, and build your very own shadow puppet theatre to tell your own stories with, just like they did back in 3000 BC.

Imagining, collaborating, creating is what drives engineering! Work together in small teams to build a mechanical masterpiece using a variety of materials on offer. Like real engineers you'll blueprint and experiment... then it's time to get building!

Who doesn't love to be beside the sea side? We'll bring the beach to you, and you'll get to be the artist, creating your own decorative coastal jar, filled with beach elements and plenty of imagination! Then the theme continues outside with some classic and creative new beach games.

Welcome to the Solar-Powered Garage! We'll be harnessing the power of the sun when we build and decorate our own solar technology powered vehicles from special kits. Once your vehicles are ready, we'll put them to the test with awesome distance challenges!

Return your completed Reading Record to:

- Go into the draw for great prizes
- Get on the final invitation list
