

Seaford North Primary School

School Uniform is Compulsory at SNPS.

The Benefits of Wearing a Seaford North Primary School Uniform.

We all know that some of the most important characteristics children need are self-confidence, a sense of belonging, safety and being comfortable – both physically and emotionally. Wearing a Seaford North uniform with logo supports these ideals.

A child's pride and self-confidence in being an identifiable part of SNPS is reinforced by feeling good in the uniforms they wear.

All Children are required to wear the SNPS logo tops with striped collars from PSW to instil this sense of identity and pride in our school. All other parts of the School uniform (apart from the logo items) can be purchased from any retailer as long as they are in line with the uniform policy.

Hoodies are not part of our school uniform and are not permitted.

The majority of our children are wearing the correct uniform. We appreciate that there are times when students are out of uniform for legitimate reasons and these will be accepted via a note from home. For some there needs to be a transition period but by the start of 2019, we expect that all students are wearing full school uniform with logo tops in accordance with the uniform policy approved by School Council.

If you are having difficulty with this due to financial reasons please contact the school office, Anthy or myself.

Yours sincerely

Lee Murnane and School Council
