## ISSUE 2

28<sup>TH</sup> FEBRUARY, 2019

**Dear Parents, Students and Friends of Seaford North,**

### **2019 School Council Election Report**

Each year this process provides an election of approximately half the members so that half the councillors have at least one year's experience. This year there was an election of three parent members, who are elected by the parent community and one DET staff member, who are voted for by staff. These are all two year positions.

Following a call for nominations for School Council we have filled our 4 Parent vacancies and our teacher vacancy. Congratulations to **Guy Masters, Justine Fletcher-Dobson, Scott Boreham** and **Stuart Thompson** declared to be duly elected to the Seaford North Primary School Council as parent representatives and Chloe Gannon as our staff rep.

We will also have a Parent Club representative and a Kinder liaison person.

A huge personal thank you to retiring councillors Donna Willis and Jane White who have worked tirelessly to make sure we have the best school possible for the betterment of all our children by engaging the school community.

**School Councils** have a number of roles and responsibilities arising out of their designated powers. In summary these roles are:

- ☐ Developing the School Strategic Plan
- ☐ Determining the general educational policy, goals and priorities of the school within the framework of the school strategic plan and state-wide guidelines
- ☐ Monitoring and evaluating the performance of the school in relation to the goals and priorities in the School Strategic Plan, including participation in review processes
- ☐ Reporting annually to the school community and the Department
- ☐ Approving and monitoring the school budget (including school-generated funds) which needs to be consistent with the school charter
- ☐ Ensuring that all monies coming into the hands of the council are expended for proper purposes
- ☐ Making recommendations to the Secretary on the appointment of the school principal
- ☐ Entering contracts for purposes consistent with the School Strategic Plan
- ☐ Employing non-teaching staff and any casual relief teachers or contracting for the provision of those services
- ☐ Exercising a general oversight of the buildings and grounds and ensuring that they are kept in good order and condition
- ☐ Generally stimulating interest in the school

## STILL BE SUNSMART

A balance of sun exposure is important for health. Excessive exposure to the sun can cause health problems including sunburn, dehydration, damage to skin and eyes, and an increased risk of skin cancer.

Too little UV exposure from the sun can lead to low Vitamin D levels. Vitamin D is essential for healthy muscles and bones, and overall health.

UV radiation:

- cannot be seen or felt but is harmful even on an overcast day
- can be reflected off surfaces such as buildings, asphalt, concrete, water, sand and snow
- can pass through light clouds
- varies in intensity across the year (highest in Victoria from September - April)
- peaks during school hours

## Sunscreen

Seaford North encourages all staff and students to apply SPF 30+ (or higher) broad-spectrum, water-resistant sunscreen daily at a minimum from September to the end of April, and whenever UV levels reach 3 and above. Sunscreen should be applied before going outdoors, and reapplied every two hours if necessary.

# *SNPS Swimming Trials*

On Friday 15<sup>th</sup> February, 34 keen students from grades 3-6 attended Frankston High School Swim Centre to try out for our school swimming team. It was wonderful to see all of them give it a go and encourage each other in every race. For many of them it was their first time competing. Thank you to all students that came along and I encourage you to attend again next year. Many thanks to our parents who came along and assisted in running the trials by recording, timing, handing out ribbons, marshalling and providing support and encouragement to our students.

## *District Swimming Results 2019*

On Wednesday 27<sup>th</sup> February, 23 of our students competed at the Pines Forest Aquatic Centre for the Patterson District Swimming Championships. Our team competed across 25 events on the day. Schools across Australia are being called to get involved and take action on the ninth National Day of Action against Bullying and Violence (NDA) on Friday 15 March 2019. Seaford North Primary School are very excited to be taking part in this day. However, as this is our Grade 3-6 Athletics day, we will be participating in activities on **Tuesday 2<sup>nd</sup> April, 2019**.

We will be running a range of thought-provoking classroom activities to make the day a great success. The children will also be receiving a wristband to help promote this initiative.

*Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.*

## PERFORMING ARTS NEWS

Hello School Community,

In semester one/two some of our learners are going to use recycled materials to make musical instruments. I am posting this now so members of our community can hopefully start saving some of their recyclables/rubbish instead of putting them in the recycling/rubbish bin.

If you can set aside the following that would be great.

- Tissue boxes, with the plastic cut out of the middle
- Glass and Plastic Bottles of all sizes with lids (rinsed out and labels removed)
- Beads, rice, buttons, paper clips, bobby pins, etc (please ensure the materials you donate are something you would be throwing out or recycling)
- Rubber bands of all sizes (rubber bands from fruit and veg bunches are great to keep an eye out for)
- Foil
- Tape, funnels
- Chopsticks, wooden sticks (eg skewers without the pointy end)
- Cardboard and plastic tubes, from paper towel rolls, foil/plastic wrap rolls, pringles cans etc (no toilet paper rolls please)
- Small boxes, shoe boxes

**I will be putting out another notice later this term detailing when you can bring your items in**, for now however, please just keep them at home and start a collection ready to bring in. I will put another note in the newsletter and on Dojo letting people know when they can begin to drop their items off at school.

Thank you so much for being mindful and holding onto your recyclables.

Thank you very much for your contribution to this project.

# Parents and Friends of Seaford North Primary School

## Annual General Meeting – 7pm, 12 March, 2019

Some of our amazing office bearers are moving on and we need some enthusiastic volunteers to fill their places.

The Parents & Friends of SNPS is a relaxed, welcoming group of volunteers. We don't take ourselves too seriously and focus on organising and running social and fundraising events, while having fun. However, the AGM is one meeting we take very seriously. To continue to do the great work we do, we must abide by the rules of the Victorian State Government's policy for parent clubs, our constitution, and have volunteers in key positions as office bearers.

*Skills required* – Enthusiasm, a big smile and willingness to help (even if only a small amount). That's it – except if you can be the treasurer, then some financial skills would be great.

At the AGM all positions are opened and we are seeking nominations for the following positions:

**President, Vice President, Secretary, Treasurer, Social Coordinator, Fundraising Coordinator, Grounds and Maintenance Coordinator and Communications Coordinator.**

Nominations must be received by 3.30pm Tuesday 11th March either at the [school's office](#) or via email to [parentsclubsnps@gmail.com](mailto:parentsclubsnps@gmail.com)

All parents and carers of Seaford North Primary School students are invited to the meeting and we would love to see you there! If you are not a member and would like to attend the meeting, you can pay your \$1 membership on the night. New general members are most welcome.

### More Information:

- Only Parents & Friends members can be accepted into positions.
- If there is more than one nomination for each position a secret ballot will be held on the night and only financial members can vote.
- More information about each position and **nominations forms** are **available at the school office or in the Seaford North Parents and Friends Facebook group.**

If you have any questions any of our current office bearers would be happy to chat – Caroline Roberts (President), Tania Mills (Vice President), Donna Willis (Fundraising), Kate Watson (Social), Jane White (Secretary), Stuart Thompson (Grounds and Maintenance), Amanda Riley (Communications & Treasurer).

## Thank you

### New logo

As you will see, Parents and Friends have a new logo to represent our new name. We would like to extend a **very big thank you to Andrew Packer** for volunteering his time and skills to develop an image that represents our group's connection to our school, children and the environment.

### Book covering

Over the school holidays a rather large band of volunteers took home over 1000 readers (purchased with the help of fundraising money that so many of the school community contributed to) to cover and protect the new readers for our Foundation and younger grade kids. It was an amazing job to ensure the books last the distance.

2018 Office bearers & some of our general members.

## Latest Grants

In 2018, SNPS was awarded a \$12,000 grant from the Collier Foundation to fund the purchase of robotics and coding sets for a pilot program in 2019. The grant will be utilised to introduce cutting-edge robotic and coding resources to the curriculum at SNPS. All students from Foundation to Year Six will have an opportunity to use these resources across multiple disciplines as part of their enquiry units.

The grant will fund a robotics and coding 'start-up' pack for SNPS, including two of each of the following classroom kits: Bee-Bot Resource bundle, Ozobot Evo classroom kits and Hummingbird classroom kits. The kits are age appropriate (Foundation - Year Two, Year Three - Four, Year Five - Six, respectively) and will cater for two classrooms at a time and be used on a rotational basis.

## Upcoming dates

- 12th March - Parents & Friends of SNPS - Annual General Meeting. All parents, carers & friends of SNPS welcome
- 17th March - School Working Bee
- 21th March - Family Fun Night - Volunteers needed for the BBQ

# Safer Internet Day 2019

Together for a better internet | Tuesday  
5 February

**RESPECT • RESPONSIBILITY • REASONING • RESILIENCE**

Tuesday, 5 February 2019 was Safer Internet Day and Seaford North Primary School was on board!

Safer Internet Day raises awareness about the positive role of digital technology and explores ways we can all contribute to creating a better, safer internet. Coordinated by the Office of the eSafety Commissioner in Australia and celebrated in over 130 countries, this year's Safer Internet Day theme was **'Together for a better internet'**.

Parents are encouraged to get involved and support our young people in developing the critical skills required to successfully navigate the online world.

These skills take time to develop but they can help us in all areas of life - online and off.

- **Respect** – I treat myself and others the way I like to be treated.
- **Responsibility** – I am accountable for my actions and I take a stand when I feel something is wrong.
  - **Reasoning** – I question what is real.
  - **Resilience** – I get back up from tough situations.

Help spread the word about creating a safer, more positive internet — start a conversation with your child about which of the 4Rs of online safety is most important to them and how can they help build a better internet for everyone.

The **eSafety iParent site** is packed with resources to help you address online safety with your children. Or take the **Screen Smart Parent Tour** to help your child manage online issues should they arise.

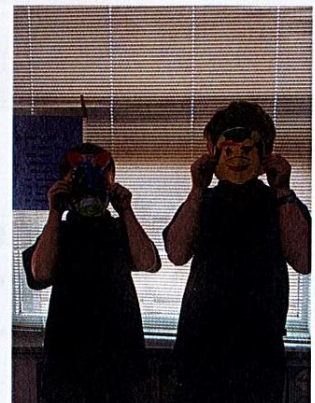

Alannah & Madeline  
Foundation

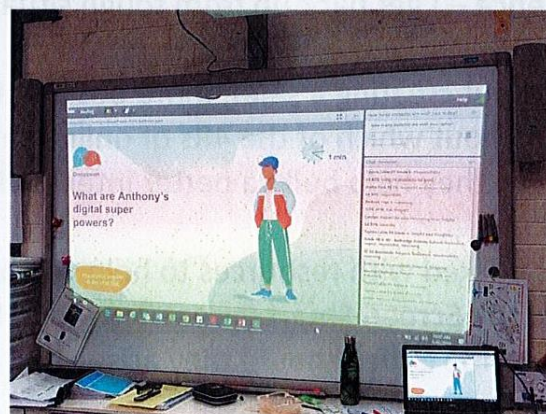

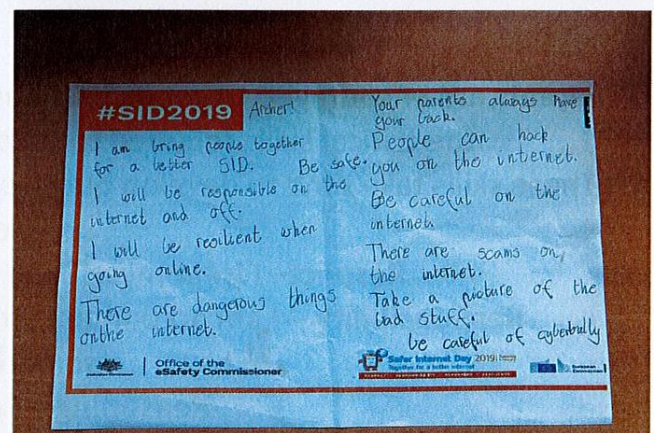

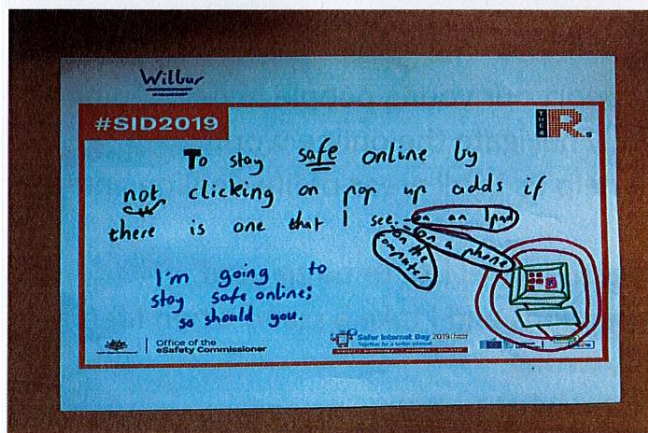

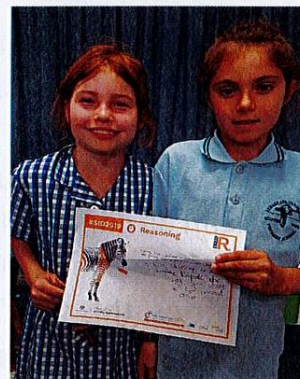

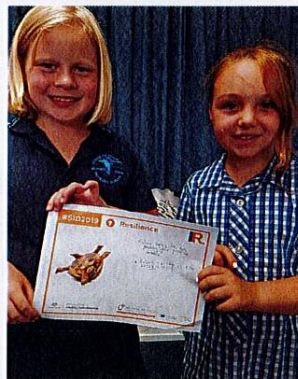

**eSmart  
Schools**

## Check out the different ways our students participated...

Our Grade 2 students transformed the 4Rs of online safety characters into selfie masks.

Our 3-6 students pledged ways in which they would demonstrate the 4Rs online.

Some classrooms visited **the 'SID2019 Virtual Classroom'.**

They even used the internet to participate in respectful conversations in an online forum with students from other schools!
