

FOUNDATION NEWS

Term 1 2020

Welcome to Term 1! We have had a very smooth start to the year. We wish to take this opportunity to remind you that Foundation students begin full school weeks from Monday 3rd March.

UNIFORM

We have had some questions regarding school uniform. Please ensure all items your child wears to school has their name on it. The school's full dress code policy is available on the website. Hats must be worn when playing outside. Please note that necklaces and bracelets are not permitted. However, watches, religious and medical items are allowed.

WEDNESDAY TESTING

Please check your child's testing time slot for the English Online assessment. At your allocated appointment time, please bring your child to their classroom door. The test will take approximately 45 minutes to conduct.

NUDE FOOD

Nude food is encouraged to be brought to school as students are not permitted to take wrappers outside. The school's nude food competition is counted on a Monday, whereby each classroom's wrapper count is totalled, and the winners announced at assembly each week.

READING PROGRAM

Further information about our home reading program will be coming out later this term.

UNIT OF INQUIRY

To begin our year, the first central idea we will be investigating is “Through play we express our feelings and ideas and come to new understandings”.

COMPASS APP

Seaford North Primary School uses the Compass App as our main source of parent communication. Information regarding the app was provided in your child’s reader bag during the Foundation Transition program last year. Please contact the office if you require your login details to be re-sent. You can use the app to quickly and easily log any student absences. If you are arriving to school after the bell, please attend the office to receive a late pass.

MONDAY ASSEMBLY

School assembly is on Monday mornings at 9:05am. The students attend class as normal at 9:00am and then walk over to the gymnasium with their classroom teacher. You are more than welcome to meet us there!

SCHOOL LIBRARY

A red library bag has been sent home with students. Each week classes have been allocated a time to visit the library for borrowing. Students will need to bring their library bag back each week in order to borrow a new book. Our library day in Term 1 will be Mondays.

FAMILY PHOTO

Just a quick reminder, if you haven't yet brought in a family photo please do so as soon as possible. Thank you!

We have been using THRASS charts to help us learn phonemes.
