Term 2 2021

GRADE 2 NEWS

Welcome to Term 2, 2021! We hope you all enjoyed a fantastic holiday break. We are looking forward to the term ahead.

WHAT'S NEW IN GRADE 2?

As you may have heard, Miss Armstrong celebrated her wedding at the end of Term 1. After enjoying her wedding and a short break, she is back and is now Mrs Mulcahy!

Subway lunches are now available each Friday. This includes a sandwich or wrap, a cookie and a drink and will cost \$7. You can collect order forms from the office, or print them from home via Compass. If you are interested in placing an order, order forms and correct change are due to your child's classroom teacher **by Wednesday** each week.

Beginning in week 3, the Junior Library will open for home borrowing again. Students are encouraged to bring a small library bag to school each **Thursday** if they would like to return and borrow a book.

Just a reminder, homework books and yellow log books are expected to be brought to school **every Friday** to be checked by their classroom teacher. This ensures that they can complete spelling tests on Fridays and that their book is ready on Monday for new words to be pasted into. If your child forgets their book on Friday, please send the book to school on the Monday.

INQUIRY

Learning how students used to travel to school, and practising handwriting using steel-point pens and ink at the old Jeetho School!

Our second Inquiry unit for 2021, *Where We Are in Place and Time*, has kicked off with a fantastic excursion to Coal Creek. The students had a fabulous time investigating how Coal Creek differs from today's society.

The central idea of this unit is *'Historical evidence helps us understand the relationship between the past and present'*.

This unit is an inquiry into:

- How we find out about the past
- Interpreting historical evidence
- Why communities and families have changed over time
