

FOUNDATION NEWS

Term 2 2022

Welcome back! Since our last newsletter it has been wonderful watching our students continue to adjust to life as a Seaford North Primary School student.

We would like to thank our families for their continued support this Term.

UNIT OF INQUIRY

Our students have been learning all about themselves and their place in the world in our current Unit of Inquiry. Our central idea for this unit is 'We all have our own identity'. Students have been exploring and investigating their individual identities and their place within the community.

LITERACY

It has been so fantastic to see our students making developmental leaps in both reading and writing. Students are now using their knowledge of sounds and letters to read and write words. It is amazing to see our students' confidence grow in all areas of literacy.

MATHS

This term in Maths, our students have continued to develop their number sense through many hands-on activities. We have continued our unit in measurement with the topics of Mass, Volume and Capacity. Students have enjoyed investigating and comparing the size and mass of different objects through the skill of hefting and recording.

SOCIAL

Our students have continued to learn about the Kimochi characters, which assist them in identifying and relating to emotions. We are partaking in many 'Brain Breaks', yoga, and mindfulness activities throughout the day.

REMINDERS

Please continue to send your child to school on Thursday with their library bag, and their reader bag and Weekly Words book on Friday. You can find a copy of the Phase 1 and 2 Weekly Words on Dojo Class Story if you happen to be missing any.

We would also like to remind our families of Bug Club Active Learn. It is a fantastic resource to practise reading and comprehension skills, and is great fun for students.
