Term 3, 2022

Greetings

Greetings Foundation families and friends! Term 3 is well underway and has been action packed and lots of fun for our little learners. Students thoroughly enjoyed their 100 Days of School celebrations and are looking forward to the swimming program and dressing up for Book Week later this term.

Upcoming Events

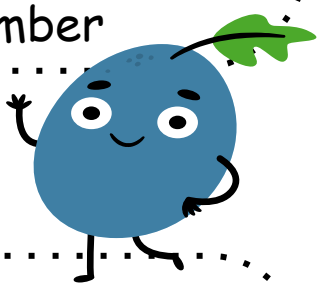
Pupil Free Days:
18th-19th August

Firefighter Incursion:
17th and 25th August

Book Week Dress Up:
22nd August

Swimming Program:
5th-9th September

Last Day of term:
16th September



Reminders

Readers Bags: Please ensure students bring their readers and weekly words book to school in their reader bag every Friday.

Library: Students visit the library every Thursday. They need to bring their library bag and return their borrowed book on this day.

Learning at home: Continue to read every night and practise weekly words. Don't forget to access Bug Club and Mathletics.

Literacy

Students should be proud of their progress this term as they continue to achieve their learning goals in reading and writing. They have been developing their reading strategies, as well as working on sequencing and retelling story events to aid comprehension. Students have enjoyed writing information reports about community helpers and are currently enjoying the creative aspects of narrative writing.

Numeracy

This term, students have further developed their number sense through hands on activities, and have been practising strategies to solve addition problems. They have enjoyed identifying and sorting 2D and 3D shapes in their environment, and are excited to be exploring money through play based learning.

Unit of Inquiry

Students have been exploring the concept of 'Community' and have identified the various roles that people play and how they function and work together. They thoroughly enjoyed the role play opportunities to be shopkeepers, doctors, bakers and builders. Later this term, students will begin the next Unit of Inquiry 'How the World Works'.
