Reminders

Reader bags: Please ensure your child brings their reader bag to school each Friday so that books can be changed over and new phonics tasks can be added into home learning books. Don't forget Bug Club is also accessible for reading and phonics activities!

Library: Our library sessions will continue to take place on Thursdays. Please ensure your child brings their library bag each week so that they can borrow.

Labelling items: As we begin to enter into the cooler weather, it is a good time to check all items of clothing including jackets and coats are clearly labelled.

Specialist

Our Foundation students have been enjoying their specialist classes which have been running on Tuesdays. Please remember your child's runners on Tuesdays so they can participate in Sport.

Literacy

Students have enjoyed our 'Little Learners Love Literacy' program. Each week we continue to meet new characters and practise the 'Chitter Chatter Chant' to build phonic knowledge. Our students are learning to visualise and make predictions during reading sessions, and have displayed an 'I can' attitude when attempting to write independently.

Numeracy

This term, students continue to develop their number sense through counting games and hands on activities. They have been practising counting on from different numbers and identifying numbers before and after. Students enjoyed using practical scenarios to explore ordinal number, and had fun measuring and comparing the length of their shoes and other classroom items.

Unit of Inquiry

Our students enjoyed learning about their identities and that of their classmates in our first Unit of Inquiry. They loved showing off their identity bags and expressing all the things that make them who they are!
